Halloween

Halloween is celebrated every year on 31st October. This day is „All Hallows Eve“ in the Catholic calendar and

„Halloween“ is a derivation of this name. The origins of Halloween go back to the 5th century BC in Celtic Ireland, when summer officially ended on 31st October. On that day, spirits of the dead were believed to come back to earth, looking for living bodies to possess for the following year. People were afraid of these spirits, so

they dressed up in scary costumes to frighten them away. Over time, people stopped believing in evil spirits but kept up the Halloween rituals. Halloween was brought to America by Irish

immigrants. Today, Halloween is more extensively celebrated in the USA than in Britain. Before Halloween people buy pumpkins. They cut faces, put candles inside and so the pumpkin becomes a ghost.

Three witches

The students of all three classes met in the school hall and the teachers started the Halloween competition. In empty classes there were sheets of paper with numbers and students had to go to the sheets. On the sheets there were some tasks, for example: every team had to write a sentence and other teams had to write other sentences and a story originated in the end or we had to complete missing words or crosswords.

When we finished the tasks, we had a break. And after the break the teachers said the results of the Halloween competition. And who won it? The competition was won by the team „Skeletons“. They

Hamster

won a bag with sweets. Congratulations 😊 ! And we look forward to a Christmas party 😊.

Eva

Interview with Katka Černá

1) How did the idea to start a magazine originate?

I wanted the students to do something more creative than just the usual school stuff.

2) How long have you been teaching at this school?

This is my fourth school year here.

3) How did you get this job?

I had a regular job interview with the school director.

4) What do you like and dislike about this work?

I find my work interesting because every day is little bit different. I enjoy working with people, I love English and my job is the perfect combination of these two things. But like anybody else I have my days when I would just like to be on my own and not communicate at all :)

5) Do you have any advice for students how to improve their English besides learning it at school?

Definitely. A school should just give students the confidence to use the language in the real life. I would suggest making use of any opportunity, no matter if it is chatting with native speakers in the pub, watching a film in English, listening to music or reading an English book, just anything that you enjoy doing in your free time. And if you have a chance to travel, go for it!

The world of movies

Eat Pray Love - Liz Gilbert (Roberts) had

everything a modern woman is supposed to dream of having - a husband, a house, a successful career - yet like so many others, she found herself lost, confused, and searching for what she really wanted in life. Newly divorced and at a crossroads, Gilbert steps out of her comfort zone, risking everything to change her life,

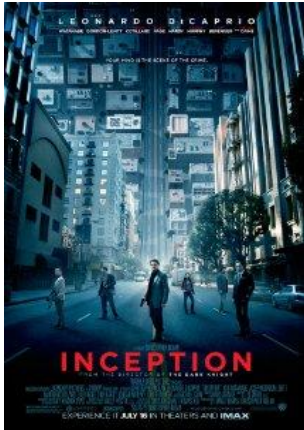

embarking on a journey around the world that becomes a quest for self-discovery. In her travels, she discovers the true pleasure of nourishment by eating in Italy; the power of prayer in India, and, finally and unexpectedly, the inner peace and balance of true love in Bali.

Inception- Dom Cobb is a skilled thief, the absolute best in the dangerous art of extraction, stealing valuable secrets from deep within the subconscious during the dream state, when the mind is at its most vulnerable. Cobb's rare ability has made him a

coveted player in this treacherous new world of corporate espionage, but it has also made him an international fugitive and cost him everything he has ever loved. Now Cobb is being offered a chance at

Hamster

redemption. One last job could give him his life back but only if he can accomplish the impossible-inception. Instead of the perfect heist, Cobb and his team of specialists have to pull off the reverse: their task is not to steal an idea but to plant one. If they succeed, it could be the perfect crime.

Toy Story 3 - Woody, Buzz and the whole gang are

back. As their owner Andy prepares to depart for college, his loyal toys find themselves in day-care where untamed tots with their sticky little fingers do not play nice. So, it's all for one and one for all as they join Barbie's counterpart Ken, a thespian hedgehog named Mr. Pricklepants and a pink, strawberry-scented teddy bear

called Lots-o'-Huggin' Bear to plan their great escape.

Red Hot Chilli Peppers sue young star Diana Vickers

The American band Red Hot Chilli Peppers plans to sue singer Diana Vickers. The reason is a fact that part of the chorus of her new song My Wicked Heart sounds too similar to RHCP's chorus from the hit song Under The Bridge from 1991. Diana, who became famous in a competition X-Factor, admitted that she had been listening to RHCP intensively and after recording her song she realized that My Wicked Heart is similar to Under The Bridge, but she didn't want to change anything. Daily news The Sun says that RHCP will sue with Vickers, because she didn't have and doesn't have any permission to sample their song.

(Jan. 21 -Feb. 19)

Your instincts for finances improve this month, and you might enjoy a pay or income increase. Your social life is very busy throughout November. Teamwork is emphasized, although there can be some strife with friends. Romantic opportunities might present themselves through your friends or group associations.

(Feb. 20-Mar. 20)

Hamster

(Mar. 21- Apr. 20)

Do not be too fast to give your opinion. Listen to the others carefully. The possibilities of voyages will be favourable in terms of connections and moneymaking. Do not let the others limit you to say how you feel on the family questions.

(Apr. 21- May 21)

Perhaps it is time to look for the ways how to improve your health. Professional secrecy can only lead to circumstances devastators. Speak with your partner about holidays and about your relationship.

(May 22-June 21)

You will be emotional on the questions of money. You should take part in activities which can be done by both young and old. You can receive recognition for the work which you made.

Hamster

(June 21 – July 22)

Your love life will be intense and passionate this month, and you may become obsessed with someone whether you're single or in a relationship. At this point, the relationship will be mainly sexual in nature, but it may become more serious later.

(July 23 – Aug. 22)

Problems will arise in your family and with your parents in particular, due to buried secrets and emotions. You hate it when others are evasive or withdrawn, and this time may be difficult for you. A New Moon in Scorpio will help you develop better coping skills and more sensitivity, though.

(Aug. 23- Sep. 22)

Hamster

(Sep. 23 – Oct. 22)

your situation.

(Oct. 23 – Nov. 21)

Expect to be even more withdrawn and sensitive this month. At the same time, you will feel powerful and confident

because of the Sun, Mercury, and Venus moving through your sign.

(Nov. 22 – Dec. 21)

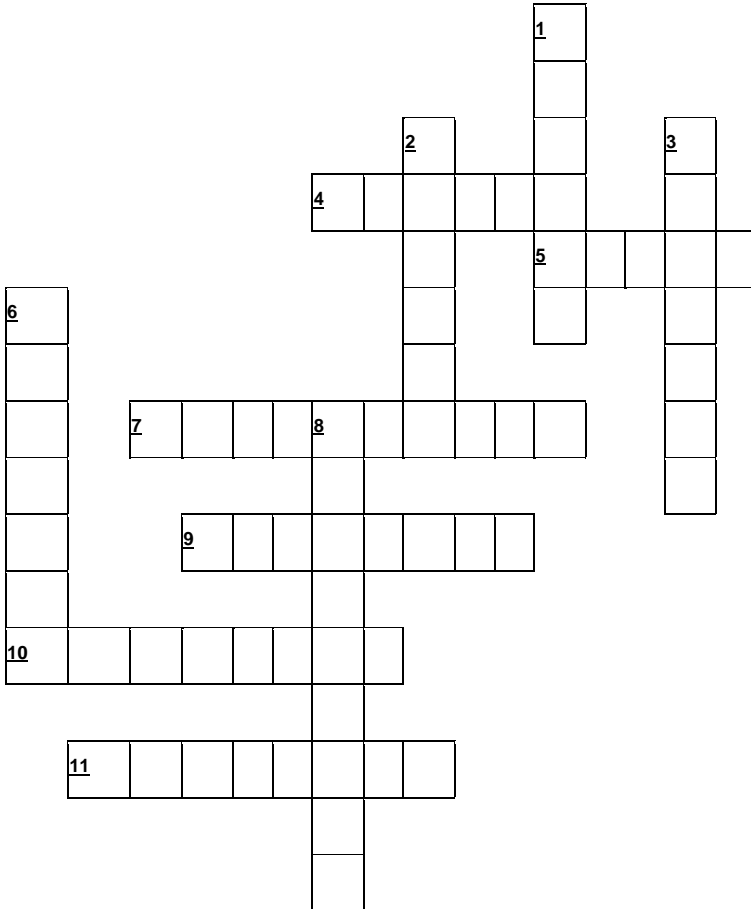

Your inner life will be more important this month as you go within to look for answers and understanding. You will examine issues from the past in depth, and you may seek counselling so you
